TERMS & CONDITIONS

Welcome to our annual sale of quality Morgan horses and crossbred Morgans. Every effort has been made to insure pedigree and other vital information is accurate on all consignments listed herein, but sale management and their assigned is not responsible for errors or omissions.

Horse Health Requirements: All horses must have a negative Coggins test within 12 months of the sale (AGID test will allow entry into Canada) and a health certificate within 30 days of the sale. All bred mares must have a veterinary certificate within 30 days of the sale stating that the mare is in foal. Any buyer of a bred mare who is uncertain of her being bred must have her vet checked by the sale vet before she leaves the grounds.

Hay, Straw, and Feed: Hay and shavings ($10.00 per bag) will be available to purchase at the sale. All sale horse stalls will be furnished with one bag of shavings.

Registrations: All consignments to the MVMS that are presented as registered are required to have all original registrations and transfers in place or applied for with the appropriate registry association before the animal goes into the sale ring. Catalog number of horse is sale number.

Buyers: All sales are final. All horses will be transferred or released to the person indicated on the sales slip. Cost to transfer ownership of the registered consignments to new owners will be deducted from the sale proceeds. Title passes at the fall of the auctioneer's hammer, at which time all risk and responsibility for the horse passes to the buyer.

Terms: All consignments must have a new halter and lead rope, otherwise the sale committee will supply one and charge the seller for the cost. No horse will be allowed to leave the barns without a checkout slip indicating full payment. All horses must be removed from the barns by midnight Saturday evening, the last day of the sale. All sellers are responsible for their horses up until the time that the gavel falls, after which the buyer is in full responsibility. The sale committee of the MVMS reserves the right to reject any horses for any reason including but not limited to: Unsoundness, poor condition, and improper documentation of registration or health papers.

Sales Tax: Horses sold are subject to the 6% Pennsylvania sales tax.

Payment Options: Check or cash. No credit cards accepted.

Horse Outs: If horse is cataloged and does not go through the sale, and no substitution horse is presented, the seller is required to pay a withdrawal fee of $200 per horse.

Warranties: Ages, heights, markings and physical conditions are approximated and not guaranteed. It is the responsibility and obligation of the buyer to examine the horse before he bids, as all sales will be final. In case typographical errors or other errors are discovered, the auctioneer will announce them, which will take precedence over the printed catalog. Buyers are therefore cautioned to pay attention to the auctioneer's announcements.

Guarantees: No guarantees whatsoever, expressed or implied, are made by the sale committee, the auctioneers, pedigree readers, bid spotters, or any-one associated with the MVMS as to title, quality, unsoundness or soundness of any consignments. Presentations given in writing by the consignor to the sale committee will be announced at the time of sale as though by the consignor. Any claims made based upon said presentations, guarantees, or omissions, shall be made against the consignor only and not the sale committee or any persons related to the sale. Seller's statements of soundness or unsoundness will be announced at the sale.

Liabilities: Everyone is urged to use caution and care while attending the sale. The MVMS, all members of the committee, and all those associated with the sale in any way shall not be liable for any injuries sustained by anyone attending the sale, and all parties entering the grounds where the sale is held do so at their own risk and further agree that the organization responsible for the sale is hereby released from any liability or responsibility for any injuries sustained by them during the attendance of the sale and its related activities from any case whatsoever.

TERMS OF CONSIGNMENT

When used herein the consignor shall include any person entering an animal or animals in any sale conducted herein Mountain View Morgan Sale shall be referred to as MVMS.

By entering an animal or animals in any sale conducted by MVMS the consignor does thereby agree to the following terms and conditions.

The consignor agrees that all animals shall be at the place of sale in proper time, delivered free of expense to MVMS. The consignor agrees that after having consigned stock to the sale of MVMS, he will not dispose of it by private sale, either prior or during the progress of sale.

PERMANENTLY CHANGE HISTORY

Morgans are part of
a rich history,
dating back to 1789.

Today and tomorrow,
they will give us joy, laughter,
and show us tireless effort...

...from trail rides through
the hills and mountains,
to their first blue ribbon...

...like Morgans have
been doing for centuries.
But they can't do it alone.

We encourage you to keep that
history alive and strong,
well into the next century.

Register your Morgans and make them part of history. And the future of this great breed.
